WHEREAS this fire has destroyed more than eighteen homes and continues to threaten thousands of structures, including additional homes, necessitating the evacuation of thousands of residents; and

WHEREAS a Federal Fire Management Assistance Grant has been requested and approved for the Sand Fire burning in Los Angeles County; and

WHEREAS under the provisions of section 8571 of the California Government Code, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay the mitigation of the effects of this fire.
