

OFFICE OF THE GOVERNOR

OCT 12 2013

To the Members of the California State Assembly:

I am returning Assembly Bill 1127 without my signature.

This bill requires the Judicial Council to establish a working group to develop what are being termed "best practices" for providing interpreters in civil court proceedings and further to conduct a pilot project to implement those practices.

The Judicial Council already has authority to establish a pilot project and has two excellent advisory committees working to develop a language access plan for our courts.

Sincerely,

Edmund G. Brown Jr.
