

OFFICE OF THE GOVERNOR

OCT 07 2013

To the Members of the California State Assembly:

I am returning Assembly Bill 1235 without my signature.

This bill imposes financial management training requirements on elected city, county and special district officials at potentially significant costs to the state. I believe local governments can impose appropriate financial management training without the aid of the State General Fund.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a stylized flourish at the end.
