

OFFICE OF THE GOVERNOR

OCT 11 2013

To the Members of the California State Assembly:

I am returning Assembly Bill 12 without my signature.

Two years ago, I signed legislation that significantly revised the regulatory review process. As a result, beginning this November the Department of Finance will review the economic impact of regulations *before* they are published. The annual review proposed by this bill would duplicate those efforts.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a large, stylized flourish at the end.
