

OFFICE OF THE GOVERNOR

SEP 26 2014

To the Members of the California State Assembly:

I am signing Assembly Bill 1990 which allows gleaners and community food producers to engage in direct sales of produce to the public.

There is some concern that AB 1990 would inadvertently limit the existing paths for producers and gleaners to sell locally. This is not my intent. The language in this bill is clearly expansive, not restrictive.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a large, stylized flourish at the end.
