

OFFICE OF THE GOVERNOR

SEP 26 2016

To the Members of the California State Assembly:

I am returning Assembly Bill 2115 without my signature.

Existing law requires health plans and insurers to notify individuals who will no longer be covered by that plan or insurer that they may be eligible for low or no-cost health coverage through Covered California or Medi-Cal. This bill adds to the notice a statement that information about low or no-cost health care and prescription medicines may be found on a website that is to be determined.

I believe the current notification requirements are sufficient.

Sincerely,

  
Edmund G. Brown Jr.
