

OFFICE OF THE GOVERNOR

SEP 29 2014

To the Members of the California State Assembly:

I am returning Assembly Bill 2221 without my signature.

This bill establishes a seven-member Business Filing Coordination Council within the Secretary of State to solicit feedback regarding business filings.

The Secretary of State has already established an advisory committee, the Business Filers User Group, for interested parties to provide feedback on the current business filing process and the creation of the new automated system, California Business Connect.

A duplicative council is unnecessary.

Sincerely,

Edmund G. Brown Jr.
