

OFFICE OF THE GOVERNOR

SEP 24 2016

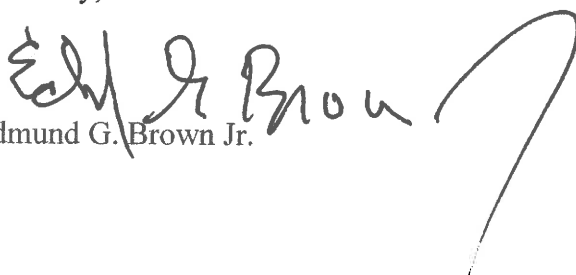

To the Members of the California State Senate:

I am returning Senate Bill 1328 without my signature.

This bill creates a new Greenhouse Gas Reduction Fund program for stormwater projects.

Rather than creating a potentially duplicative program, I am directing the Resources Agency to work with the State Water Resources Control Board to ensure that stormwater projects are included in the Urban Greening Program.

Sincerely,

Edmund G. Brown Jr.
