

OFFICE OF THE GOVERNOR

SEP 16 2014

To the Members of the California State Senate:

I am returning Senate Bill 1383 without my signature.

This bill authorizes the Director of the Department of Resources Recycling and Recovery to adopt an American Society for Testing and Materials standard for plastic products that degrade in soil.

This measure is premature. The standard this bill seeks to codify is still being drafted and continues to undergo significant changes.

Sincerely,

Edmund G. Brown Jr.
