

OFFICE OF THE GOVERNOR

OCT 10 2013

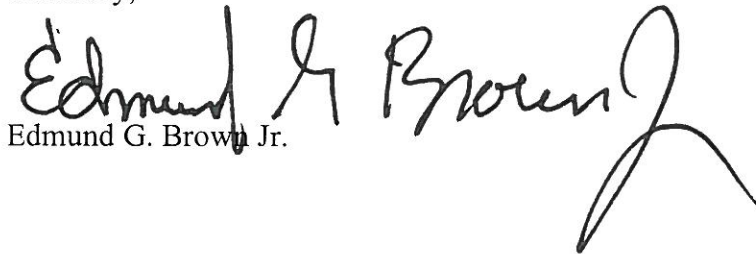

To the Members of the California State Senate:

I am returning Senate Bill 285 without my signature.

This bill, which is contingent on the enactment of Senate Bill 284, would authorize the use of the College Access Tax Credit Fund.

I was unable to sign Senate Bill 284 due to a technical flaw. As a consequence, this bill cannot become operative.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a large, stylized flourish at the end.

Edmund G. Brown Jr.
