

OFFICE OF THE GOVERNOR

OCT 15 2017

To the Members of the California State Assembly:

I am returning Assembly Bill 1019 without my signature.

This bill requires the State Controller's Office to make staff available to support the California Uniform Construction Cost Accounting Commission.

The need for this bill is unclear. I am confident that the State Controller's Office is more than capable of dedicating the necessary staff to support the Commission and its work without the mandate called for in this bill.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a large, sweeping flourish extending from the end of the signature.
