

OFFICE OF THE GOVERNOR

OCT 07 2017

To the Members of the California State Assembly:

I am returning Assembly Bill 1190 without my signature.

This bill requires the Department of Consumer Affairs to post information on its homepage about the Project Approval Lifecycle as it relates to the BreEZe project.

Currently, the Department of Technology post updates on their website for all information technology projects, including BreEZe, in the "Project Approval Lifecycle IT Project Proposals Report." In addition, I signed SB 547 which requires the Department of Consumer Affairs to report to the Legislature the progress it is making in transitioning its licensing programs to a new information technology system.

Therefore, this bill is unnecessary and duplicative of those efforts.

Sincerely,

Edmund G. Brown Jr.
