

OFFICE OF THE GOVERNOR

OCT 11 2017

To the Members of the California State Assembly:

I am returning Assembly Bill 1306 without my signature.

Two years ago I established the California Cybersecurity Integration Center when I signed Executive Order B-34-15. Cybersecurity threats against the state are constantly changing and the Center continues to mature in response to these threats. I am concerned that placing the Center in statute as this bill proposes to do, will unduly limit the Center's flexibility as it pursues its mission to protect the state against cyberattacks.

Sincerely,

Edmund G. Brown Jr.
