

OFFICE OF THE GOVERNOR

OCT 13 2017

To the Members of the California State Assembly:

I am returning Assembly Bill 1607 without my signature.

This bill authorizes developmentally disabled consumers to participate in more than one adult day services program to receive services focused on employment. It also establishes community-based vocational development services as a new statewide program for these consumers.

These additional services have merit; however, they should be evaluated in the annual budget process.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a stylized flourish at the end.
