

OFFICE OF THE GOVERNOR

OCT 06 2017

To the Members of the California State Assembly:

I am returning Assembly Bill 350 without my signature.

This bill prohibits cannabis products to be made in the shape of a person, animal, insect, or fruit.

In mid-September the Legislature passed Assembly Bill 133, which made clarifying changes necessary to implement a single cannabis state regulatory framework. As currently drafted, this bill would chapter out specific provisions in the recently enacted trailer bill. Therefore, I cannot sign it at this time.

Sincerely,

Edmund G. Brown Jr.
