- COMMENT: Through 1982 the Governor appointed 6 public members. SB 163 (Evans), Chapter 417, Statutes of 2011 changes the name from State Bar Board of Governors to State Bar Board of Trustees,

STATE BAR BOARD OF TRUSTEES-continued

states legislative intent that the board reduce its membership from 23 to 19 by 10/31/14 and develop a transition plan 1/1/12. It also changes the process for selecting attorney members, and adds one attorney member appointed by the Rules Committee and one attorney member appointed by the Speaker. The bill provides that the board shall not change, reduce, shorten, lengthen or abolish the terms of board members commencing prior to 12/31/11, or force any board member to resign in order to reduce the membership. It also adds conflict of interest provisions.

SB 36 (Jackson) of 2017 separates the State Bar's association duties from its regulatory duties. It removes the provision that requires certain terms to commence at the conclusion of the State Bar's annual convention, thereby allowing terms to begin immediately upon appointment. It also states legislative intent that the 19-member board transition to a 13-member board by 10/31/20, by allowing the 6 elected attorney members' terms to expire and not replacing them. It changes terms from 3 to 4 years. Further, it codifies current practice that at least one board member appointed by each of the appointing authorities also serve on the executive committee. It also provides that, effective 1/1/18, one public member shall be appointed each by the Senate Rules Committee and the Speaker, and 4 public members shall be appointed by the Governor.

Anticipates six 2-day meetings for the year 2017.
