

OFFICE OF THE GOVERNOR

SEP 28 2018

To the Members of the California State Assembly:

I am returning Assembly Bill 2163 without my signature.

This bill requires the Department of Technology to provide Geographic Information Systems data to Regional Notification Centers for the purposes of California's "Call Before You Dig" program.

The Department does not own this data and must pay a subscription for its access. Unfortunately this bill does not allow for the Department to recoup its costs from the Centers. I recommend the author work with the Department and make the necessary changes in future legislation.

Sincerely,

A handwritten signature in black ink that reads "Ed G Brown". The signature is written in a cursive, slightly slanted style.

Edmund G. Brown Jr.
