

OFFICE OF THE GOVERNOR

SEP 29 2018

To the Members of the California State Senate:

I am returning Senate Bill 1019 without my signature.

This bill would require the Mental Health Services Oversight and Accountability Commission to allocate at least half of its triage grant funds to local education and mental health partnerships.

The bill as written would limit the Commission's authority to exercise its judgment in the distribution of these grants. I believe the better practice would be to leave this matter to the Commission.

Sincerely,

  
Edmund G. Brown Jr.
